## Application Deadlines

You may submit an online application **at any time** during the year. However, we recommend that you submit the application *at least* two months before the term starts. After submitting the application you will need to provide a number of supporting documents (see details below). Your application is ‘complete’ when you have provided all the supporting documents and completed the Entrance Exam. Then, the admission decision is made within one week.

## How applications are evaluated

Each application is reviewed by the admissions committee and, in some cases, by the Academic Director. Consideration is given to the following:

- Academic performance
- The rigor and content of the bachelor’s degree
- The applicant’s performance in courses directly related to the master’s program

And, when it is relevant, consideration is also given to:

- Documentation of academic English proficiency (see section “English Proficiency”)
- The applicant’s work experience
- The applicant’s motivation and commitment to complete the program

If the admissions committee finds the information in the application insufficient for making the decision, the applicant will be invited to an interview.

## Academic Requirements

Minimum admissions requirements for graduate studies at Webster University:

- Bachelor’s degree from a nationally or regionally accredited institution
- A cumulative grade point average (CGPA) of 2.5 on a 4-point scale, or its equivalent. The admissions committee will consider a CGPA between 2.0 and 2.4 for entry as a ‘special status’ student. In programs that use a different assessment scale, academic achievement is evaluated in the context of the relevant academic system.
- When applicable, proof of academic English proficiency at the graduate level.

*Notes:*

- You do not need to submit GRE or GMAT results.
- You do not need to have an undergraduate degree in a field matching the master’s program.

## Additional Requirements: MBA

MBA applicants need to have completed the following courses, or their equivalents, within the last five years with a grade of ‘B’ or better:

- Financial Accounting - BUSN 5600 Accounting Theory and Practice
- Microeconomics & Macroeconomics - BUSN 5620 Current Economic Analysis

An MBA applicant’s transcripts will be assessed for equivalents to the above courses. If missing from the applicant’s educational background, the applicant will need to successfully complete the pre-requisite coursework before starting the MBA program. Pre-requisite courses do not count towards the MBA degree.

## Academic Transcripts and Certified Copies

You will need to request official transcripts from all colleges and universities attended. They should be sent by courier to the Admissions Office at the Webster University - Ghana Campus.

Admissions Office  
Webster University - Ghana Campus  
Plot 4, Fourth Circular Road  
Cantonments, Accra, Ghana

If you attended a university that does not issue transcripts but gives the original certificate or mark sheet directly to the student, you will need to make a photocopy of the original certificate or mark sheets and have the university registrar certify or attest that the copy is a 'true copy' of the original document. The attested copies should be mailed by the registrar directly to the Admissions Office of the Ghana Campus.

### Translation of transcripts

If your official transcript is not in English, you will need to have it professionally translated according to these instructions:

- All translations must be prepared using the same format as the original
- All information must be translated
- The translation must be verbatim (literal)
- No interpretations or evaluation of information should be included. For example, converting number grades to letter grades
- The translation must be typed, signed, and dated by the translator and must list the translator's contact information: address, phone number, fax number and e-mail address

### Academic Calendar 2014-15

	Term	Start (Monday)	End (Friday)
2014	Fall 1	25 August	17 October
	Fall 2	27 October	19 December
2015	Spring 1	12 January	6 March
	Spring 2	16 March	8 May
	Summer	18 May	10 July

### Application fee payment

In order to complete the online application, you will need to pay the application fee of \$25 (or Ghana Cedis 50). The application fee can be paid at the campus or through the Zenith Bank. Contact the admissions office for banking details.

### Tuition

A student needs to successfully complete 12 courses in order to earn either the MBA or MA International Relations degree.

Tuition for each course is US\$1,800; \$21,600 for the program.

- Tuition fees are **subject to change** each year.
- Tuition is paid on a "pay as you go" basis. When you register for a course, that is when you pay tuition.

### Scholarships

Scholarship applications are available upon request **after as student has been accepted** to Webster University - Ghana Campus.

There is a significant scholarship fund that is awarded to **accepted students** based on academic achievement and proof of financial need.

Scholarship awards range from 10% to 50% of the tuition and are valid as long as a student studies full-time and maintains strong grades.

American citizens are eligible to receive FAFSA financial aid (American student loans).

## Application Supporting Documents

After you submit your online application, you will need to provide several supporting documents to complete your file. All supporting documents must be received no later than two weeks before the term begins.

Email copies of the supporting documents as attachments to <ghana@webster.edu>  
The admissions committee will only review complete files in order to make the admission decision.
